

Hi Qim,

I am at work  
now waiting to  
go home. We have  
been working  
6-7 days a week,  
so we'll be glad  
when it lets up.

Well, you have  
one more year to  
go! Are you &  
Vickie going to do  
something special  
for your birthday?  
It seems when-

about it. I think about  
you two, ~~it~~ seems  
you are going some-  
place. Did you have  
a good time in  
San Francisco?

Mike & I  
bought a new stereo  
cassett player this  
week end. I just  
love the fm stereo  
and I can't wait  
to try the cassetts.

The weather is  
really getting nice  
here now. Have a  
happy birthday. May
